

Construction & Road Closure Alert

Issued on March 14, 2016

Lane Closure at Olive Avenue in Fresno Alternative Routes Advised

FRESNO, Calif. – The California High-Speed Rail Authority (Authority), in cooperation with design-build contractor, Tutor-Perini/Zachry/Parsons (TPZP), announces lane closures in Fresno expected to start Wednesday, March 16, 2016.

The left eastbound lane and right westbound lane at Olive Ave. between N. West Ave. and Golden State Boulevard will be closed as part of utility relocation work. Drivers may experience delays; signage will be in place to direct traffic.

This work is part of Construction Package 1 (CP 1), the first 29-mile stretch of high-speed rail between Avenue 17 in Madera County to East American Avenue in Fresno County.

CLOSURE:

Phase 1: The left eastbound lane and right westbound lane at Olive Ave. between N. West Ave. and Golden State Blvd. will be closed starting approximately Wednesday, March 16, 2016.

Phase 2: The left eastbound lane and the left westbound lane at Olive Ave. between N. West Ave. and Golden State Boulevard will be closed starting approximately Wednesday, March 23, 2016.

Lane closures are scheduled to begin Wednesday, March 16, 2016 at 7:00 a.m.
Closures will be in effect for approximately 2 weeks.

Drivers are requested to follow lane closure signage. Private parking structures will continue to be accessible.

This schedule is subject to change. For up-to-date information please visit <http://quickmap.dot.ca.gov> or BuildHSR.com. Traffic laws will be fully enforced and commuters are expected to be aware of the surrounding activities, remain alert and watch for construction vehicles and personnel. The Authority appreciates the patience and cooperation from visitors, residents and businesses during this work.
